**DABA Recommendations:**

1. The DABA team would like to develop their own bridging course for the BACB top up

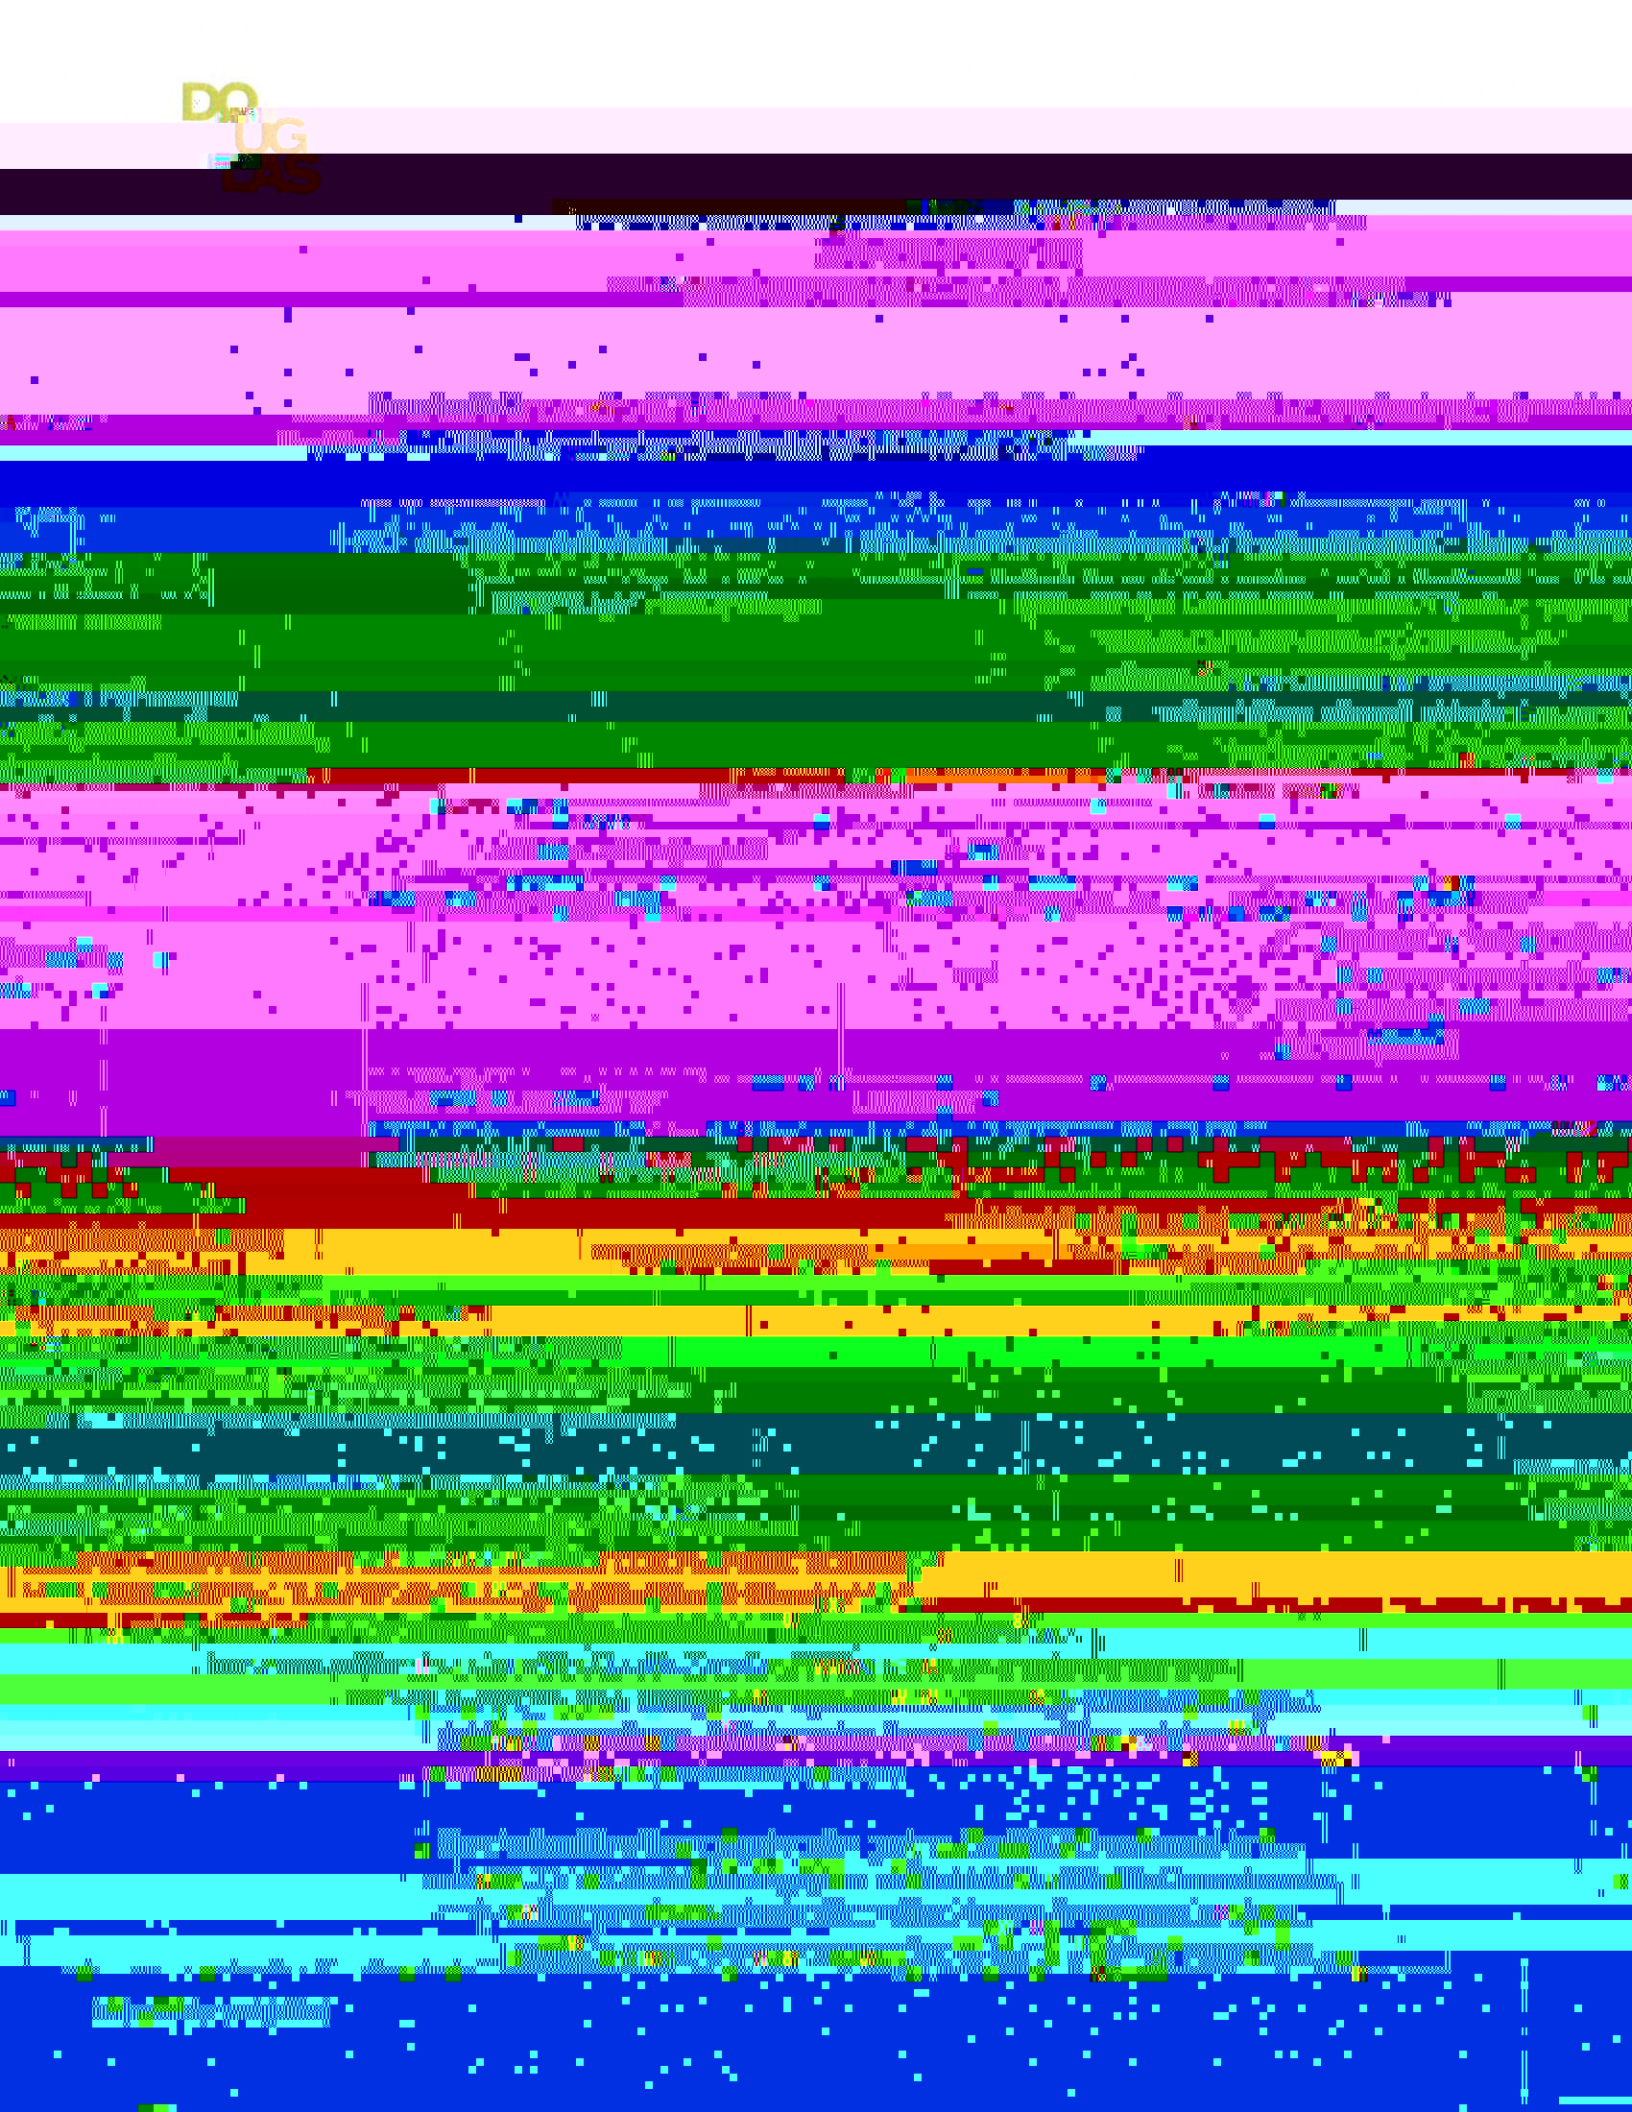

**PLAR:** map the Career Development Practitioners program and Employment Support Series against the ESS curriculum in order to create a new PLAR pathway for experienced practitioners. This would also open up a considerably larger ESS program awareness and marketing opportunity as well as move the professionalization of the field ahead.

**Course Delivery** to include:

- o **Practicum/Project option**
- o **Course Intensive's**, i.e. for Open Door and meeting Employer's needs
- o **Flexibility to take program over 3 semesters rather than 2**
