A. PURPOSE

ResearchC

Research Institutes: Formally designated non

8. Any academic programming offered by RCI must be approved by the RA, in consultation with the VPA, and be approved via the normal governance procedures of the College.
9. On questions relating to the termination and/or dissolution of an RCI, the RA will consult with the VPA before rendering a decision.

MEMBERSHIP

1. The Director of a RCI formally must be a regular faculty member of the College.
2. Research Centres normally include a minimum of three faculty members from one Faculty.
3. Research Institutes normally include a minimum of five faculty members from two or more Faculties.
4. Formal membership in RCIs is limited to College employees, including f
