O: Methods of Instruction:

A combination of lectures, guided practices, assignments and case studies will be used. Active learning is an integral part of this course, and emphasis will be placed on a “hands-on” environment to allow students to work both independently and collaboratively to learn and apply procedures and tasks carried on in a legal office. Both learning activities and evaluations will be structured to stress problem solving, accuracy, and working within time constraints.

P: Textbooks and Materials to be Purchased by Students:
