| F: | Calendar Description:  This course addresses the role and responsibilities of the Administrative Assistant. Students will gain knowledge and practical experience in topics such as locating, selecting, organizing, presenting, and distributing information; creating and using policy manuals; managing records; organizing meetings and conferences; managing projects; making travel arrangements; managing office supplies and equipment; and supervising other employees. Office layout, ergonomics, and health and safety issues will also be addressed. This is a "hands-on" course in which students will integrate computer, document formatting, and communication skills with knowledge of administrative processes. |  |        |  |                             |                  |   |  |
